Parent / Student Parking

Parents and students are reminded to be respectful of our local residents when parking in the surrounding streets. Do not park on verges or driveways and follow any City of Stirling parking requirements.

In particular, students and parents are discouraged from parking in Churchlands Avenue and Hibiscus Court as it is causing issues and inconvenience for local residents. Please ensure that no litter is dropped in any of the surrounding streets. Your cooperation is greatly appreciated.

FAMILY AND COMMUNITY ENGAGEMENT

NEW

The Family and Community Engagement Team is a team of staff with representatives from the P&C and School Board. The Team is working towards the goal of providing a variety of authentic opportunities for parents / community members to connect with staff and students in support of learning and the school experience. One of the initiatives that has been developed is the 'Staff Profiles'. The purpose of the profiles is to connect and personalise our relationship by sharing something about a staff member and their experiences and passion outside of the classroom.
